10 Day Inspirational Tour | March 9-18, 2018

March 9: Departure

Today we embark on our Journey to the Holy Land. Prepare yourself for a life-changing experience. Get some rest on the flight...Tomorrow you will be walking where Jesus walked!

March 10: Arrive Israel

We arrive in Israel late this evening and travel northward to our hotel for one night in the coastal area near Tel Aviv.

March 11: Caesarea, Megiddo & Nazareth

After breakfast, we travel by private motor coach along the coast of the Mediterranean Sea to Caesarea, where Gentiles first heard the Good News from Peter and were baptized. We'll see the Roman Amphitheatre and aqueduct, and then journey on to Mt. Carmel, where Elijah challenged King Ahab and the prophets of Baal. Next we travel through the Jezreel Valley to Megiddo, the Armageddon Battlefield, where archaeologists have unearthed 20 levels of civilization. We drive through the area of Cana and Nazareth, the boyhood home of Jesus, where we visit the Nazareth Village - a wonderful recreation of Biblical times with costumed guides. We will have dinner and overnight lodging for the next two nights in the Tiberias area on the Sea of Galilee.

March 12: Capernaum, Dan, Caesarea Philippi & Mt. of Beatitudes

Following breakfast, our morning travels take us to two valuable northern sites. Dan is where the children of Israel fell to the depths of pagan worship and Caesarea Philippi, the site of Peter's Confession. In Capernaum we will visit the ruins of an ancient synagogue and Peter's home. Then we travel on to the site of the possible multiplication of loaves and fishes in Bethsaida and the Mount of the Beatitudes overlooking the Sea. After viewing the ancient Fisherman Boat at an operating Kibbutz, we enjoy a relaxing cruise on the Sea of Galilee. A brief scripture reading and devotional on board brings to life the experiences of Jesus and the fishermen disciples concluding a wonderful day.

March 13: Jordan River Baptism Sites, Beth Shean

We begin our day with an opportunity to be baptized at the Jordan River Baptismal site. Next we travel southward to Beit-Shean/Scythopolis, the most magnificent archeological site in Israel, located at the strategic juncture of the Jezreel and Jordan valleys. Like Jericho, it has been almost continuously occupied throughout history. After defeating Saul and his sons on Mt. Gilboa, the Philistines hanged their bodies on the walls of Beit-Shean. During the time of

Jesus, Scythopolis was one of the chief cities of the Decapolis - a league of ten cities sharing Greek culture and government. Following the fertile Jordan Valley southward, your guide will point out the agricultural restoration of the "Land of Milk and Honey" and Israel's intricate irrigation development. We pass ancient Jericho, view from a distance this city famed as the oldest in the world, before coming to the Jordan River (Qeser El Yehud) the Israeli side of Bethany Beyond the Jordan, the place where Jesus was baptized by John the Baptist, where Elijah and Elisha crossed the Jordan as well as the area where the children of Israel led by Joshua entered the Promised land. Our lodging for the next five nights will be in Jerusalem.

March 14: Around Jerusalem, Bible Times

On our way into the city we will visit the Wailing Wall and then the fascinating Rabbinical Tunnels leading us through the Second Temple era. The tunnel and exhibit give a clear understanding of the amazing construction of the Temple Mount, giant stones, water supply and Roman street where our Lord was led to judgment. Before exiting the tunnel we see the immense cornerstone rejected by the builders. We move on to the Judgment Hall of Pilate, hear of those who conspired against Him and are reminded of His brutal beating and humilia-

tion. From here we will also be able to see the Pool of Bethesda, Stephen's Gate and St. Ann's Church. This afternoon we visit the Southern Wall Excavations. This southern side of The Temple was the main entrance for the common folk, whereas the Priests and Levites had their own entrance from the higher eastern side. Parts of the giant stairs, which led to the Temple Mount from the courtyard have been unearthed along with the purification pools. From here Jesus entered the Temple Mount and drove out the vendors and money exchangers who were exploiting the people. It is also likely that this is the place that Peter stood and preached and where thousands were saved and baptized on the Day of Pentecost. Those who wish may stay in the city marketplace for shopping, while others may choose to spend the remainder of the day surrounding the birth of Christ with a visit to Bethlehem.

March 15: Masada, Ein Gedi, Dead Sea Scrolls, Dead Sea Float

Our day begins with a cable car ride to the mountain top fortress of Masada. Here our guide will treat us to the history of the famous zealot stand. Afterwards we proceed to Ein Gedi, "Spring of the Goat," an oasis on the western shore of the Dead Sea. Because of its warm climate and abundant supply of water, the site developed a reputation for its fragrant plants and date palm groves. This is where King David hid from Saul, and where God defeated the enemies of the Israelites by praise and worship led by King Jehoshaphat. Next, we visit Qumran Caves where the Dead Sea Scrolls were discovered. This afternoon we enjoy the opportunity for a Dead Sea Float before returning to Jerusalem.

March 16: City of David, Jeremiah's Cistern, Hezekiah's Tunnel, Jewish Quarter

This morning, our guide will take us to an overview of the city from the hillside overlooking Jerusalem and the Gehenna Valley. This meaningful teaching time will bring together the many things that you have seen to date. We continue our sightseeing just outside the Dung Gate on the southeastern hill below the Temple Mount in the City of David. It was during the time of Solomon that the city limits extended past this part of Jerusalem. We visit Gihon Springs, the original water source for Jerusalem, view new excavations including a typical Israelite four-room house, the lower city wall and the cistern where Jeremiah was imprisoned. A highlight today will be a water walk through the incredible Hezekiah's Tunnel to the pool of Siloam, the place of Jesus' miracle in John 9. Ascending up to the Jewish Quarter we see the gold Menorah built for the next Temple, the Temple Institute, the Burnt House, a 1st Temple period model of Jerusalem, a wall built by King Hezekiah, and the Roman Cardo. The rest of our day is at Mt. Zion to see David's Tomb, and the first Church Grotto. We then walk to visit David's Citadel and go inside to climb the tower for a view of Old Jerusalem and to see the remains of Herod's palace and possible place of Pilate's trial of Jesus.

March 17: Jesus' Steps, Last Days, Way of Suffering, Garden Tomb

Today we walk where Jesus walked; beginning the day with a panoramic view of the city, Mount Moriah and the Dome of the Rock from atop the Mount of Olives and then the Garden of Gethsemane. How many have wished to be whisked back in time to get a glimpse of our Lord or hear His voice if only

for a moment? To walk between the ancient olive trees, read the scriptures of Jesus' prayer and take time for personal reflection is important here. Passing by the Protestant Cemetery, we visit the "Upper Room" just outside the Zion Gate where the disciple whom Jesus loved laid his head on His breast and where later Thomas cried, "my Lord & my God." While walking along the Via Dolorosa, we are reminded of His way of suffering along with a visit to the Church of the Holy Sepulcher. Our guide will explain the differing opinions on the route that Christ was led and the actual place of crucifixion and burial is a very interesting study. The climax of the day is the area of Golgotha (place of the skull) and the Garden Tomb, where we celebrate the resurrection with communion and a time of praise. We transfer to the Tel Aviv airport this evening and begin our journey home.
